Enclosures No. 3

General No. 397

No. 373

Sir,

I have the honor to bring to the notice of Government the accompanying copies of correspondence between the Superintending Engineer and the Executive Engineer Shimoga Division regarding the repairs of the Eshwara Temple at Kalasi, Sagar Taluk. I have seen the Temple. It is worthy of preservation. The question is as to where the funds are to come from —

2. The Institution is not Sanchi Management & the entered as such in the list of objects of Archaeological interest prepared by the P.W.D.

3. If the Government decides that the Sanchi should bear the cost of repair, there are funds available under the head "Sanchi General Surplus Fund" amounting to Rs 1413-13-6-

4 The amount of the Estimate for the repairs of the Eshwara Temple is Rs 291/-

I have the honor to be

For Dy Commissioner

Proceedings No 5222-861,
dated 17th October 1874

As regards the payment of the Government share of the moiety of the estimated cost of repairs to temples, the Chief Commissioner directed in 1874 that the payment of such share might be made only in case of temples noted for their architecture, &c., and that, unless it was certified that the money contribution promised by the temple managers had been duly recovered and credited to Government, sanction would not be accorded to the execution of their repairs. The Chief Commissioner wished it to be clearly understood that there was no intention of Government of
